

## **A. CV – MARCELLO SALLÌ MD**

**Marcello Sallì MD**

**SPECIALIST IN PRM**

**born March 11, 1979, Palermo, Italy**

Mailing Address: E. Ximenes 3 00197 Rome Italy

Tor Vergata University, PRM Chair, Rome, Italy.

e-mail: [salli@med.uniroma2.it](mailto:salli@med.uniroma2.it), [marsall1@tin.it](mailto:marsall1@tin.it)

mob. tel. + 393478452439

### **1. Academic Qualifications**

Graduated in Medical Studies at Palermo University cum laude in 2003.

Obtained medical qualification at the university of Palermo, with the score 90/90 in December 2003.

Specialization exam ,cum laude, in Physical Medicine and Rehabilitation at Rome Tor Vergata University finished on October 2007.

Master degree in Principles and Practice of Clinical Research 2009. Collaborative and Distance Learning Program in Clinical Research, scholars in Clinical Science Program & Department of continuing Educations Harvard Medical School.

PHD Program in “Advanced Technology in Rehabilitation Medicine” at Tor Vergata University since 2007.

## **2. Professional and teaching activities/posts held since specialist qualification**

Teaching activity dealing with Physical and Rehabilitation Medicine on academic year 2005/2006 at the Motor Science Faculty of Tor Vergata University, Rome

Lecturer at Faculty of Motor Sciences in "Physical Therapy", Cassino University 2005/2006

Lecturer at Faculty of Podiatry in "Rheumatic Foot", Tor Vergata University 2005/2006

Lecturer at the 1<sup>st</sup> level Master at Faculty of Motor Science in "Physical Therapy", Tor Vergata University 2006/2007

Teaching assistant at Proficiency course in "Rheumatic Disabilities"- Tor Vergata University since 2008.

Mentor of Residency Program trainees since 2008.

From the 6<sup>th</sup> of May since the 18<sup>th</sup> of June 2007 I was Observer/Visiting Scholar in a clinical rotation in many hospital of New York city and Baltimore under the ISPRM patronage (International Society of Physical Medicine and Rehabilitation) directed by prof. Mark Young

## **3. National and International Scientific Society assignment::**

International Society of Physical and Rehabilitation Medicine - ISPRM - **member**

European Society in Physical and Rehabilitation Medicine - ESPRM- **member**

Italian Society in Physical and Rehabilitation Medicine - SIMFER- **member**

## **4. Teaching activity of PRM trainees:**

PRM postgraduate education and specialist training education during PRM specialization.

Workshops during the "III Rome International Meeting in Rehabilitation Medicine" in "Effects of whole-body vibration on corporeal composition and on metabolic profile in patients affected by severe obesity" under the patronage of ISPRM, ESPRM, SIMFER and European Weightlifting Federation in Rome 2009.

## **5. Continuing training**

### **a) Main courses and congresses attended during the last 10 years**

- 1) Course on Perfezionamento sull'utilizzo dei Farmaci Biologici: Infliximab Padova, 19-21 May, 2004
- 2) Course on Medicina Manuale Ospedale NiGuarda, Mmilano, 21-23 October, 2005

- 3) Advanced Course on Medicina Manuale Terme di Saturnia, Grosseto, 25-27 June, 2006
- 4) Course on Dolore Cronico: The Chronic Pain, Aquila, 17 June, 2006
- 5) Course on Dolore Cronico: Il Dolore Cronico, Rome, 25-26 September, 2006
- 6) Annual European Congress of Rheumatology, EULAR 2002, Stockholm
- 7) XXXI National Congress in Physical and Rehabilitation Medicine, Verona, Italy, October, 2003
- 8) Course on "Surfacing EMG", Tor Vergata University, Rome, 2003
- 9) XXXII National Congress in Physical and Rehabilitation Medicine, Chieti, Italy, 2004
- 10) "La tossina botulinica in medicina riabilitativa" l'Accademia Lancisiana. Rome, Italy, June, 2004.
- 11) "Medicina Riabilitativa: disciplina medica o sociale?" presso Villa Mondragone – Monte Porzio Catone, Rome, Italy, July, 2004
- 12) Plenary lecture "Outcome in Riabilitazione nella persona mielolesa". Prof. J. F. Ditunno, Centro Paraplegici Ostia, Italy. November, 2004
- 13) "Linee guida ed EBM in Riabilitazione. Linee guida internazionali a confronto con i protagonisti della Riabilitazione" presso il Complesso dell'Angelicum – Rome, Italy. December, 2004
- 14) "Aspetti Riabilitativi in Ortopedia e Traumatologia", Villa Mondragone, Monteporzio Catone-Rome, Italy. May, 2005
- 15) Course "I disturbi dell'equilibrio in clinica della Riabilitazione" – Riccione, Italy. 2005 May
- 16) 17<sup>th</sup> International Conference SMIT-Society for Medical Innovation and Technology", Naples, Italy, 29 September, 2005
- 17) XXXIII National Congress in Physical and Rehabilitation Medicine, Catania, Italy, November, 2005
- 18) XXXV National Congress in Physical and Rehabilitation Medicine, S. Benedetto, Italy October, 2007
- 19) 2<sup>nd</sup> Rome International Meeting In Rehabilitation Medicine, Rome, October, 2007
- 20) XXXVI National Congress in Physical and Rehabilitation Medicine, Rome, Italy, November, 2008
- 21) 7<sup>th</sup> MFPRM Congress, Portorose, Slovenia, September, 2008
- 22) XXXVII National Congress in Physical and Rehabilitation Medicine, Campobasso, Italy, September, 2009
- 23) 4<sup>th</sup> ISPRM World Congress, Istanbul, Turkey, June, 2009
- 24) 3<sup>rd</sup> Rome International Meeting In Rehabilitation Medicine, Rome, Italy, September, 2009

## **6. Scientific work**

### **Oral Presentation:**

"Medicina Riabilitativa, Nuove Terapie Biologiche", Congresso "Medicina Riabilitativa: disciplina medica o sociale?" presso Villa Mondragone – Monte Porzio Catone, Italy 20/07/2004

" Effetti dell'ipertermia ad Onde Corte versus ultrasuonoterapia e laserterapia nella Sindrome del Tunnel Carpale". XXXV National Congress of Physical and Rehabilitation Medicine. S. Benedetto del Tronto 10-13 October, 2007

"Advanced technology in Hyperthermia" in the "17<sup>th</sup> International Conference SMIT-Society for Medical Innovation and Technology", Naples, Italy, 29 September, 2005

Relator in the "1<sup>st</sup> Course for Clinic Hyperthermia", Rome, 30 March, 2006

Relator in the seminary for the Jordan University at the Tor Vergata University on "Hip and Knee Rehabilitation" 11 June, 2008

"Applicazione dell'energia meccanica vibratoria nella disabilità uroginecologica", Basi Teoriche e Applicazione Multidisciplinare dell'Energia Meccanica Vibratoria, aula anfiteatro Policlinico Tor Vergata University ,14 June, 2008

Relator in the seminary for the Jordan University at the Tor Vergata University on "Orthopedic Disability" 24 July, 2008

"Acquisizioni e tecniche avanzate nella riabilitazione dell'atleta infortunato" Salone Internazionale del Benessere, Sessione Sport e Fitness, Ischia 24-27 September, 2008

"Applicazione della Constraint-Induced movement therapy modified nei paradismorfismi del rachide in età evolutiva"; XXXVI National Congresso f Physical and Rehabilitation Medicine. Rome, Italy, 16-20 November, 2008

#### **Poster Presentation:**

- 1) "People with Multiple Sclerosis and Physical Exercise: Tai Chi Chuan, an Ancient Innovative Proposal". 7<sup>th</sup> Mediterranean Congress of physical and rehabilitation Medicine, 18-21 September, 2008.
- 2) "Rehabilitative outcomes in people with Baker Cysts". 7<sup>th</sup> Mediterranean Congress of physical and rehabilitation Medicine, 18-21 September, 2008.
- 3) "Tai Chi Chuan(TCC) vs aerobic low impact exercise in the people with PD: preliminary study".The 25<sup>th</sup> International Jerusalem symposium on Sport Medicine, 28-29 January, 2009
- 4) " Falls and related incurie prevention in the elderly; an ancient innovative proposal coming from China: Tai Chi Chuan (TCC)". the 25<sup>th</sup> International Jerusalem symposium on Sport Medicine, 28-29 January, 2009
- 5) "The Efficacy of Cryotherapy on postoperative outcomes for the rotator cuff repair operation"; 7<sup>th</sup> Mediterranean Congress of physical and rehabilitation Medicine, 18-21 September, 2008
- 6) "Falls, fear's fall and related incurie by Qi Gong (QG)-Tai Chi (TC)". 5<sup>th</sup> World Congress of International Society of Physical and Rehabilitation Medicine, Istanbul, Turkey, 13-17 June, 2009
- 7) "Tai Chi Chuan (TCC) in people with Parkinson disease. Preliminary study"..5<sup>th</sup> World Congresso f International Society of Physical and Rehabilitation Medicine, Istanbul, Turkey, 13-17 June, 2009
